REGULATION 2016/679

Pursuant to Art. 13 of Regulation (EU) 2016/679, OMP PICCINELLI SRL with headquarters Zona Artigianale 3, Darzo di Storo (TN), as Data Controller, informs users of the www.omp-piccinelli.it website of the type of cookies used and the purposes pursued with the acquired information, also providing instructions on the selection/deselection of individual cookies.

WHAT ARE COOKIES AND WHAT PURPOSES CAN THEY BE USED FOR?

A "cookie" is a small text file created by some websites on the user's computer when accessing a specific site, for the purpose of storing and transporting information. Cookies are sent from a web server (which is the computer on which the visited website runs) to the user's browser (Internet Explorer, Mozilla Firefox, Google Chrome, etc.) and stored on the user's computer; they are then sent back to the website on subsequent visits.

Some operations cannot be performed without the use of cookies, which, in some cases, are therefore technically necessary. In other cases, the site uses cookies to facilitate and help the user to browse the website or to allow them to take advantage of specifically requested services.

Cookies can remain on the user's system for long periods and may also contain a unique identification code. This allows websites that use them to keep track of a user's browsing on the website, for statistical or advertising purposes, creating a personalised user profile, based on visited pages and/or enabling targeted advertisements to be sent.

The specific cookie categories used, their purpose and the consequence of deselecting them are shown below:
